

A SERIOUS MATTER.

"I've got to speak to the girl's father to-night on a serious subject."

"Aw, don't be afraid. Fathers in real life seldom object to giving up their girls."

"But I've got to see if he'll stand for a few months' free board."

Louisville Courier-Journal.

THE PRESCRIPTION.

"What ought a man to do for a bad cold?" asked the doctor's acquaintance, stopping him in the street.

"He should never," said the physician, hastily, "stand on the cold street consulting a doctor, but call during his office hours."

COURTESY AT THE PAWNSHOP.

"You go first, Frau Meier, I can wait."

"Thanks. I'm in no more hurry for my money than you."

Alaskan Copper for Future.

Alaska gives promise of becoming in time a large producer of copper. The Bonanza mine in Montana has an ore body 200 feet wide, which was cut at a depth of 225 feet by a cross-cut tunnel, in which there is 120 feet of ore averaging 22 per cent. copper, the middle 25 feet being almost pure copper, and the remaining 95 feet averaging 28 ounces of silver a ton. This is probably one of the greatest showings of copper in North America, but the property is over 100 miles from railroad transportation, so that it will be years before this copper can possibly come on the market.

The Secretaries of State.

Mr. Knox will be our fourth monosyllabic secretary of state since 1897. He succeeds Root, who succeeded Hay, who succeeded Day. The earlier monosyllabic secretaries of state were Smith, Clay, Cass, Black, Fish and Blaine. Only one secretary of state—Frelinghuysen—had a four-syllable name. There are seven three-syllable names in the list and 21 two-syllable names.

Only One Death in Family in 50 Years.

This was a notable day in the affairs of Mr. and Mrs. G. E. Kulp of this city, for it was just 50 years since they were married. To-day's event was attended by the six children and 11 grandchildren, their families and other relatives. There has been but one death in this family, that of a grandchild, which occurred 26 years ago.—Lock Haven Correspondence, Philadelphia Press.

Photographer's Heavy Loss.

Fire in a Chicago barn has ruined a collection of 15,000 negatives of newsboys, with which the owner won several gold medals. The owner had spent many years gathering the newsboys' negatives, the types being those of newsboys of almost every country in the world.

Real Punishment for Speeder.

Motorists will learn with interest of the case of a Hyderabad notable whose car almost came into collision with that of the Nizam. The notable was fined \$300 by the Nizam, and all his motorcars were confiscated.

Modest Modern Man.

Whatever may be said of the modern man, he cannot be said to be lacking in modesty. While the ancients did their utmost to prove that they issued from the gods, we do our best to demonstrate that we have descended from monkeys.—London Daily Mail.

Old, But Wise Advice.

At the beginning of the week and at the end take thy fill, but be saving in the middle, for at the bottom saving comes too late. Let the price fixed with a friend be sufficient, and even dealing with a brother call in witnesses, but laughably.—Heated.

LOMBARD PIANOS

The Papos With The Sweetest Tone

Praised by Press and Pulpit

No Piano has ever been more enthusiastically endorsed. The Artistic Case, the Easy, Responsive Action, and above all the deep, sweet, rich Tone, captivates performer and listener. The united verdict is that

LOMBARD PIANOS ARE THE BEST IN THE WORLD !!

Mrs. Helen M. Shaker, 34 Grand Ave., Aurora, Ill., says: "I cannot find words to express my appreciation to you for having sold me such a beautiful instrument. I really think it is the most beautiful case I ever saw, and the tone is simply grand. I shall be glad to give you my testimonial, as I think the Lombard should take the lead."

Rev. Geo. Doubleday, Pres. Corpus Christi College, Galeburg, Ill., says: "We are using the Lombard in our College work at Corpus Christi, and it is a pleasure to recommend it. It is a beautiful instrument with a deep, sweet, rich tone."

J. W. Partridge, Editor McNairy County Independent, Selmer, Tenn., says: "The instrument (Lombard Piano) fills our most sanguine expectations. It is not only a rare beauty in its outward finish, but the tone is round, full, rich and sweet. Your firm has proved to be prompt and reliable in its dealings with me."

J. Ernest Paxson, Editor Press, Parkersburg, Pa., says: "I must say that the Lombard sent me is a beautiful instrument, and a credit to a standard firm. We are more than satisfied."

R. S. Knapp, President Federal Charter Co., Washington, D. C., says: "We now realize after a careful and comprehensive trial of the Lombard by many musical artists of Washington, that it stands second to none, regardless of price or make. Every one who has tried this instrument is enthusiastic in its praise."

These are samples of hundreds of enthusiastic letters received in every mail.
